INTRODUCTION

The Welsh Yachting Association is committed to making our sport accessible to all. Our ambition is that Wales becomes one of the best places in the world to be a sailor. Our plans and aspirations are set out in our 2013/17 Strategic Plan – “Sailing an Inclusive Sport for Life”.

We are committed to upholding the principles of equality in all aspects of our work. Part of our commitment to equality is to ensure that people receive appropriate training relevant to their role and to our multi-disciplined sport.

The attached training matrix sets out the rolling programme we will put in place over the next two years and will be directly linked to our Equality Action Plan. The plan will cover the following people/groups:

- WYA Staff
- WYA Board
- WYA Committee Members
- Volunteers
- Club Members

The plan will be monitored and reported back to the Board as part of our ongoing work in this area.
